Harvard Medical School
25 Shattuck St.
Boston, MA 02115

Re: Grant No. 3146

Dear Manfred:

CTR's CEO and the Scientific Director have discussed your request for partial support of this year's International Conference on Biological Membranes "*Immunology and the Cellular Membrane*" to be held in Crans-Sur-Sierre, Switzerland, June 17-21, 1991.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am happy to tell you that we will make a contribution of $2,000.00 (the maximum amount we allocate for the support of a meeting) to help defray the costs of the program. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgment of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon C. McAllister
